

What would you like to do, learn, and explore if you could make time stand still for 6 months?

If you could travel back in time to a point in history and live there for 6 months, what and where would you pick?

What do you wish you had learned earlier in life?

If your parents could walk in your shoes for 24 hours, what do you think they would learn about you that they don't already know?

If you could set a goal and be guaranteed you'd reach it, what would it be?

What is something you like about the way you were raised?

What would you do and why if you could launch any service or product where money was not an issue?

If you could go back and relive your high school years knowing what you do now, what would you do differently and why?

If you had to write an autobiography, which part would make you happiest to write?

If you could live anywhere in the world, where would it be and why?

If you went to jail for 10 years after being wrongly accused, how would it change you as a person?

What would you be happy doing each day if you didn't have any worries about now or the future?

If you could have one wish granted, what would you wish for? (No wishing for extra wishes)

What would your perfect day look like? (Be specific)

If you could solve any problem in the world, what would you solve and why?

If you could read the mind of just one other person, who's would you like to read and why?

If you could write a book, what would it be about?

If you could thoroughly learn one specific topic in all its complexity? What would you like to know and why?

If you could erase one thing from your brain/memory, what would you choose and why?

How would you describe yourself in three words? Are you happy with these three words? If not, what would you like to change?

**If you could take an aspect of someone's personality that you know, what would you take and why?**

**Do you think the human species could benefit from any animal traits? If so, what would they be?**

**If you could change one trait that you don't like, what would it be, and do you think it would change you as a person?**

**What do you feel makes you unique?**

**What's a strength/skill you wished you had but don't?**
